## Sponsorships

**2014 Collectors Gala**  
**November 22, 2014**

---

*Artspace is a visual art center inspiring innovation  
through opportunities to experience the creative process and engage with artists.*

On **Saturday, November 22nd**, Artspace will host the 13<sup>th</sup> Annual Collectors Gala, our only major fundraiser, supporting exhibitions, educational programming, and community outreach efforts. Celebrate with over 500 art supporters by enjoying an evening of cocktails, heavy hors d'oeuvres and small plate stations throughout the building. Outstanding artwork by local and national artists will be available through silent and live auctions.

As you consider your investment in Artspace, please keep in mind that the arts are a powerful economic engine, driving businesses, creating jobs and prompting prospective employees to relocate to our area, and drawing cultural tourists to spend their vacations with us. Raleigh and Wake County are at the top of countless "Best Places to Live" lists because of the cultural vitality of the area. The arts, and Artspace, play a significant role in this vitality.

***You can create positive changes in the community through art!***
