

It's Been Great!

To All:

I start by writing this letter to say, As of today I resign from Reach/ Radio-One. Please receive this communication as my 2 week notice

I started with Radio-One in 1995 as an intern and become the 6-10p Host on WKYS in DC and WHTA in Atlanta. To walking away from the number 1 time slot in evenings because I heard the voice of God say now is the time..... To start a weekend show on WHTA in Atlanta called The Spirit of Hip- Hop. We started out from 7-10 am and grew it to 6-10 am to 6-12n. From there we syndicated this show..... SOHH From this launch pad we created Coco Brother Live. I had one goal in mind and that was to be the first African American evening show syndicated on a major platform..... We have accomplished this goal--

If you are wondering, I will continue to do radio, but I feel like I need to spread my wings in order to grow at the level that I'm being called to.

Ms. Hughes your testimony on how you started in radio has empowered & inspired me in ways you could never imagine. Alfred, thank you for believing in the brand CCBL. Just to think Gary & I almost signed a deal with another syndication company 6 years ago.... Now Gary is running the company. If I never told you Alfred, "You are an awesome person sir".
